

# APPLICATION AND AGREEMENT FOR COMMUNITY HOUSING AT BRIERCREST COLLEGE

Briercrest College is a distinctively residential college. Maintaining an educational environment that extends beyond the classroom is one of our distinctives and strengths. Dorm life offers the opportunity to grow and be stretched, to sharpen interpersonal skills, and to put the biblical truths learned in the classroom into practice in everyday living conditions. For these reasons, all single Briercrest College students are required to live in dorm, and application for alternate housing is required and limited to students aged 23 and above, and/or fourth year students with 90+ accumulated credit hours.

You may contact [housing@briercrest.ca](mailto:housing@briercrest.ca) to discuss availability and request to be put on a waiting list, but priority will be given to married students and student families. You are responsible for making private housing arrangements if there are no vacancies in Briercrest housing.
