

BRIERCREST COLLEGE STUDENT GOVERNMENT CONSTITUTION

Amended Summer 2015

BRIERCREST

CHRISTIAN ACADEMY — COLLEGE — SEMINARY

1. THE PURPOSE

- 1.1. The Briercrest College Student Government exists to help facilitate an environment and culture in which all studentsⁱ might truly follow Christ's calling in their lives while at Briercrest College.

2. THE MISSION

- 2.1. We, the Student Government, intend to fulfill our purpose and lead the Student Body by listening, speaking, uplifting, praying, and serving in the name of Jesus. We aim to accurately represent and discern the best interests of college students and communicate them to the appropriate bodies with students and faculty. We seek to coordinate events and activities that enrich and encourage students' spiritual, relational, and academic lives. We believe God desires for us to conform to Christ-likeness and that the Student Body also desires to be led by fellow peers towards this same end. We are fellow Briercrest College students contributing to a rigorous learning community that calls students to seek the Kingdom of God, be profoundly shaped by the Scriptures, and be formed spiritually and intellectually for lives of service.ⁱⁱ

3. THE TERMS

- 3.1. *The Constitution* is the fundamental text of the College Student Government; it provides both the foundation and boundaries of this government. The Constitution cannot be changed or amended in any way without the approval of the Student Body (see 10. The Constitutional Amendment Process). Failure to abide by this text by members of Student Government will result in immediate disciplinary attention, including potential impeachment (see 6. Qualifications of Student Government, 7. The Discipline Process, and 8. Presidential Appeal).
- 3.2. *The Board Policy Manual* are the Student Government's essential regulations; they provide the principles by which this government operates within the constitutional parameters. They can be changed or amended by the Board of Representatives and should be read and reviewed on an ongoing basis by the Board. Failure to abide by these principles will result in appropriate discipline but not necessarily impeachment (see 7. The Discipline Process and 9. The Impeachment Process).
- 3.3. The Practices are suggested guidelines for facilitating the administration of the Student Government. They can be changed or amended by the Board of Representatives. The Practices can be changed year to year according to the needs of Student Government and are not binding.

4. THE STRUCTURE

- 4.1. Board of Representatives: responsible for advising and assisting the Presidential Team and representing the Student Body.
- 4.2. Advisory Council: responsible for communication between the Board of Representatives and the Presidential Team and presenting governance policies to the Board of Representatives.

- 4.3. Presidential Team: responsible for managing coordinators and leading the Student Body.
- 4.4. Team of Coordinators: responsible for coordinating activities for the Student Body on behalf of Student Government.
- 4.5. These four fundamental pillars of Student Government cannot be added to, amended, or dropped without Constitutional Amendment (see 10. The Constitutional Amendment Process).
- 4.6. The President is elected by the Student Body (see 11. Student Body President Elections), the Board of Representatives is composed of RAs, and the Advisory Council will be elected by the Board of Representatives, whereas all other positions in Student Government are appointed.

5. THE POSITIONS

5.1. The Board of Representatives

5.1.1. Composition

- 5.1.1.1. The Board of Representatives will consist of the dorm RA's and an elected Advisory Council.
- 5.1.1.2. The Board will maintain a standing policy that ensures Board breadth, diversity, and integrity in representation. The Advisory Council will be voted on by the RAs and will be made up of no fewer than three members from the Student Body.
- 5.1.1.3. When possible the members of the Advisory Council will not be RAs.

5.1.2. Description

- 5.1.2.1. The Board of Representatives functions in two significant roles:
 - 5.1.2.1.1. As the group which represents the Student Body and speaks to issues on their behalf and,
 - 5.1.2.1.2. As the group keeping the Presidential team accountable to the Student Body.
- 5.1.2.2. The Representatives are chosen to govern as a Board; thus, their governing power exists only as they are gathered together.
- 5.1.2.3. The Advisory Council will hold no voting power, only power to present changes to the Constitution and Board Policy Manual. These changes will then be presented to the Board of Representatives for voting.
- 5.1.2.4. The Advisory Council will be tasked with proposing governance policies, and with mediating between the Presidential team and the Board of Representatives.
- 5.1.2.5. The Advisory Council will act as mediator between the Presidential Team, holding them accountable to the parameters set forth by the Board of Representatives.

5.1.3. Declaration

5.1.3.1. The Board meets not to fulfill a time quota or a set of positions, but as a group of Christian leaders eagerly seeking the will of God for our school. Therefore, we acknowledge that we have the mind of Christ (1 Corinthians 2.16) and we recognize that wisdom comes from God alone through the teaching of the Spirit (Proverbs 2.6; 1 Corinthians 2.10-12). Therefore, this Board seeks to live by the Spirit and produce good fruit (Galatians 5.16-23), bringing glory to God as we stand in unity (Philippians 2.1-2). We will make prayer a central priority, interceding together on behalf of the Student Body, Student Government, and Briercrest College (Matthew 7.7-8; 18.19-20; 1 Thessalonians 5.17-25). We acknowledge God's sovereignty in all the decisions we make and humbly consider the good of the school before our own biases (Philippians 2.1-3). We commit to searching the Scriptures and storing God's Word within, we seek wisdom "as for hidden treasure" (Proverbs 2.1-6).

5.2. The Presidential Team

5.2.1. Composition

5.2.1.1. The Student Body President, the Vice President of Academics, and the Vice President of Administration

5.2.2. Description

5.2.2.1. This group is primarily responsible for managing Coordinators and leading the Student Body as a team. This join-effort approach to leadership is central to the Presidential Team.

5.2.2.2. The President is ultimately responsible for the actions of this team and therefore has the most authority within the group. The Vice President of Academics and the Vice President of Administration both share the same authority as each other within the Presidential Team.

5.3. Team Coordinators

5.3.1. Composition

5.3.1.1. Appointed by Student Body President

5.3.2. Description
